## The Grades

### Types of Assessments

Major Assessment: 30 points  
Minor Assessment: 20 points  
Homework: 10 points

### Wait...what?

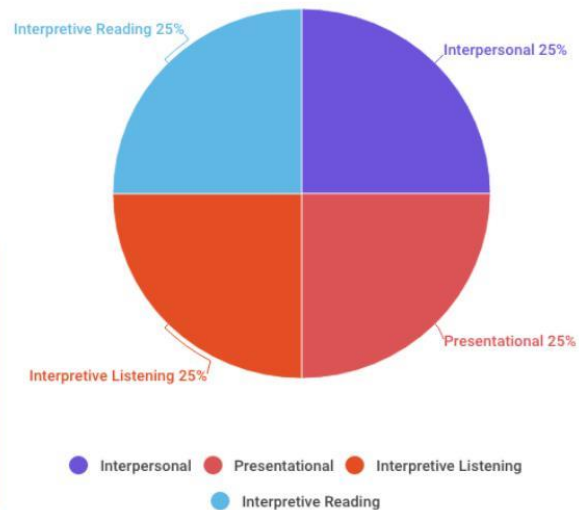

Every assignment you receive will be under a certain category: interpretive reading, interpretive listening, interpersonal, or presentational. Every quarter, you will get a grade for each category.

Example:

Interpretive reading: 96%  
Interpretive listening: 93%  
Presentational: 90%  
Interpersonal: 91%

So your final quarter grade: 92.5%

### Category of Grades

# Novice Mid 2? What's that?

## It's our GOAL!

Being a novice mid speaker, writer, listener, and reader means that you can understand and say a LOT!

### You can

Exchange personal information

Talk about likes & dislikes

Share information with others

Express your preferences & needs

### You can begin to...

complete daily tasks, like giving directions or buying food

### You WILL...

make mistakes! It's a normal part of learning a new language (P.S. I will make them too!)

...present basic information on familiar topics using language you have practiced using phrases and simple sentences

## By the end of the year, you can...

...communicate and exchange information about familiar topics using phrases and simple sentences, sometimes supported by memorized language. You can usually handle short social interaction in everyday situations by asking and answering simple questions.

...understand familiar words, phrases, and sentences within short and simple texts related to everyday life. You can sometimes understand the main idea of what you have read.

...often understand words, phrases, and simple sentences related to everyday life. You can recognize pieces of information and sometimes understand the main topic of what is being said.

...pretty cool, huh?

...write short messages and notes on familiar topics related to everyday life.

## So, what are we gonna learn about?

Topics may vary based on class choice, but may include...

Movies    School    Family    Social Media    Pets & Animals    Activities    Pirates    Food    Travel

## Yah, but what are we actually gonna DO?

We'll play games, tell stories, draw silly pictures, read stories, listen (and dance) to music, have conversations, make graphs, learn about new cultures, show off in Spanish, get up and MOVE, and have a lot of fun while learning a new language.

Get ready for our journey!
